

CHRISTIAN FAMILY MOVEMENT

Small groups can put their faith into action using our program book for the Year of Faith

In this Year of Faith, we invite families to explore the Acts of the Apostles using the Observe-Judge-Act method. Inspired by the apostles and the early church, CFM families are *Acting on Faith*. Our 8-meeting program guide includes a companion children's program.

When families join the Christian Family Movement, they don't just use our materials. They learn a method - **Observe, Judge, Act** - that puts their faith into action in their homes, workplaces, and communities.
