

The BEATITUDES

A Couple's Path to Greater Joy

"I am pleased to be able to recommend it and appreciate your contributions to our Church's teaching on marriage."

*Most Reverend Joseph E. Kurtz
Archbishop of Louisville*

"John Bosio has done it again! He has unpacked the Beatitudes and mapped the course for any of us who are married to raise the bar in virtue in our marriages. His companion book and DVD program make this message accessible as Dates for Catholic Couples, which we ourselves found quite meaningful.

May many marriages become Blessed!"

*Lorrie & Don Gramer
