Using engaging stories and personal experience, Edward Sri helps us understand the classical view of morality and equips us to engage relativism, appealing to both the head and the heart. Learn how Catholic morality is all about love, why making a judgment is not judging a person’s soul, and why, in the words of Pope Francis, “relativism wounds people.” Topics include real freedom, real love; sharing truth with compassion, and why “I disagree” doesn’t mean “I hate you.”

YA, A 128 pp.  
Wesley, Christopher

In Rebuilding Confirmation, Christopher Wesley shares how to reimagine Confirmation preparation in new or existing programs so that teens will become active members of the Church. He created a Confirmation program that uses parish-selected mentors and small faith-formation groups to provide teens with an intensely transformative encounter with Christ and the Church. Instead of teens seeing the sacrament as the end of faith formation and weekly Mass attendance, they are becoming engaged in the life of the Church. Wesley’s story, vision, and advice will show you how to create a ministry of witness and support to accompany youth as they prepare for Confirmation and set a course for their future in the Church.
